## Edwin Torres Hernandez

### OBJETIVES:

---

To obtain a job experience in the industry in which I can develop and refine my abilities and where the interdisciplinary work, imagination, integrity, oral skills are require.

### EDUCATION:

---

2001 - Present	University of Puerto Rico - Mayaguez Campus
Degree Sought:	B.S. in Computer Engineer
GPA:	3.45
Expected Graduation:	Dec of 2006

### WORK EXPERIENCE:

---

August 03 to May 04: **Undergraduate Research**  
Department of Electrical and Computer Engineering, UPR at Mayaguez

I was responsible to develop the code in VHDL language for implementing algorithms that in the future will be use to create circuits that could edit and filtering satellite images. These algorithms were implemented in programmable cards that gave me an idea of how its will work. This research provides me an incredible experience in the area of develops and testing computer programs and how it can be use to create logical circuits.

June 03 to Present: **Web Developer and Laboratory Assistant**  
Department of Economy, UPR at Mayaguez

Now I am the administrator student of all web project of the Economy Department. In this job experience I refine my techniques in the creation of web pages and increase my knowledge of Microsoft server technology. Now I am in the process of create an administrative web resource to replace all the paper process in the Department. Also I am an assistant of the Economy Computer Laboratory. My duties consist in resolve computer errors, maintain the professor computers, digitalize documents, install networks cables, research server errors and others tasks.

### KEY SKILLS AND COMPETENCIES:

---

- Computer skills (Programmer C++ and VHDL)
- Software (Microsoft Office: Word, Excel, Power Point and others)
- Language (Spanish, English read/write)
- Web Developer (Macromedia MX: Dreamweaver and Flash)
- Other (Experience in Network, Linux User)

### AWARDS AND HONORS:

---

May 02-03:	University's Honor Roll
May 01:	High School's Honor Roll

### EXTRACURRICULAR ACTIVITIES:

---

Ex President of Presbyterian Young Society, Music: Piano, Dramatic Works, Graphic Arts
